A photograph taken from the perspective of someone standing in the open red doors of the Temple of Heaven in Beijing. The doors, which are a vibrant red and adorned with numerous golden studs and circular motifs, frame a view of a long, straight, paved path. The path is flanked by white stone railings and leads towards a large, traditional Chinese building with a multi-tiered red roof and ornate wooden structure. The sky is clear and blue, and the overall scene is bathed in bright sunlight.
