၂၀၂၄ ခုနှစ် ဇူလိုင်လ ၁ ရက်နေ့

A large, modern, green, translucent, spiral-shaped structure, possibly a sculpture or building facade, set against a clear blue sky. The structure is composed of many triangular panels that form a continuous, twisting helix. It is situated on a paved plaza with a circular pattern, and there are some people visible in the background.

[illegible]

This block contains three photographs. The first shows a waterfall cascading over rocks with sunlight filtering through the trees. The second shows a multi-tiered waterfall in a lush forest. The third shows a roller coaster car on a track, surrounded by trees and a safety net.

A large, ornate stone building with a tall clock tower, surrounded by a wall with murals and a statue of a religious figure. The building features arched windows and a prominent clock face on the tower. In front of the building is a large, light-colored stone wall adorned with numerous murals of religious figures and scenes. A tall, white statue of a religious figure stands prominently in the center of the wall. The foreground is filled with many small, colorful flower pots and larger floral arrangements. A wide set of stone steps leads up to the wall. The scene is set against a clear blue sky, with lush green trees and foliage surrounding the building.
